Application for Enrollment

You may use this form to apply to Zimtor Elementary School. On receipt of the application, you will be scheduled for a parent interview and your child will be scheduled for a one-day classroom visit to Zimtor. If you apply before the first class starts in the fall of 2023, a short visit with the teacher/director will be substituted for the classroom visit. You may observe your child's visit but not participate. Following the interview and visit, Zimtor will either make an offer of admission or explain why your child is not eligible for admission. If admitted, there is a \$50.00 fee to complete enrollment. This is the only fee of any kind Zimtor charges.
